

## **Disclaimer**

Please read this disclaimer in its entirety before reviewing any opinions, views or information expressed by Base Fundamentals. If you do not agree to all of the disclaimer, do not access any materials or information presented by Base Fundamentals. By accessing these materials, and whether, or not you have actually read this disclaimer, you are deemed to have accepted it.

### **No Investment Advice**

No opinions, views or information contained in Base Fundamentals sites and accompanying this communication or presented by Base Fundamentals should be construed as a solicitation to buy, Hold or sell securities.

Our Website contain financial data and financial content. Base Fundamentals, and its principals, are not registered broker-dealers or financial advisors. We have no access to non-public information about publicly traded companies, and this is not a place for the giving or receiving of financial advice, advice concerning investment decisions or tax or legal advice. We are not regulated by the Financial Services Authority.

Before making an investment Base Fundamentals recommend consulting with license professional in your jurisdiction for any legal, tax, insurance, or investment advice.

Base Fundamentals is a research and educational platform intended and available for research and education purposes and for analysing, learning & reviewing information related to stocks and investments strategies. No content on the site constitutes - or should be understood as constituting - a recommendation to enter in any securities transactions or to engage in any of the investment strategies presented in our site content. We do not provide personalised recommendations or views as to whether a stock or investment approach is suited to the financial needs of a specific individual.

### **Do your Own Research**

Our content is intended to be used and must be used for informational purposes only. It is very important to do your own analysis before making any investment based on your own personal circumstances. You should take independent financial advice from a professional in connection with, or independently research and verify, any information that you find on our Website and wish to rely upon, whether for the purpose of making an investment decision or otherwise.

### **Individual responsibility for further research**

Where we present reports, the results should only be treated as candidates for further research, not as a buy, hold or sell list or set of recommendations. Reports may help to narrow a universe, but it is not a substitute for independent research reflecting your individual criteria for investing/trading.

### **Financial Interest**

In certain cases, Base Fundamentals enter into business dealings with issuers and or third parties mentioned on Base Fundamentals research material, reports and sites. Base Fundamentals provide consulting and business development services and provide valuations report based on Base Fundamentals AI algorithm and other methods. In addition, Base Fundamentals and its principals may hold interests and or own securities of those parties mentioned. As a result, Base Fundamentals and its principals would have a direct financial interest in the parties mentioned.

### **Third party information**

Excluding the Base Fundamentals Content and Data, the information on our Website about businesses, companies, investment strategies, investments and investment opportunities is provided by third parties and sources that we believe are true and reliable. We act as a contents and information provider, and we do not edit or modify the information. We may not review, monitor, evaluate or otherwise oversee the information or the content that is provided by third parties.

### **No reliance**

Accordingly, we will not be liable, whether in contract, tort (including negligence) or otherwise, in respect of any damage, expense or other loss you may suffer arising out of such information or any reliance you may place upon such information. Any arrangements between you and any third party are at your sole risk.

### **Forward-looking**

Certain information presented may contain or be considered forward-looking statements. Such statements involve known and unknown risks, uncertainties and other factors which may cause actual results or events to differ materially from those anticipated in these statements. There can be no assurance that any such statements will prove to be accurate, and readers should not place undue reliance on such information. Base Fundamentals does not undertake any obligations to update information presented, or to ensure that such information remains current and accurate.

### **Investment Warnings**

We would like to draw your attention to the following important investment warnings.

- The value of shares and investments and the income derived from them can go down as well as up;
- Investors may not get back the amount they invested.
- Past performance is not a guide to future performance.
